EC	1
Level	600
Language	English
Keynote speakers	Merel Eimers Heleen van der Linden Ozan Ozavci Carolien Roelants Jan Jaap de Ruiter Tom Zwart
Hosted by	Leiden University

Admission requirements

PhD candidates and research master students active in the field of Islamic Studies may apply for admission and should contact NISIS at nisis@hum.leidenuniv.nl.

NISIS junior members qualify automatically and do not need to apply for participation. However, they are required to **register** for the Islamic Studies Network Day via nisis@hum.leidenuniv.nl.

Description

The Islamic Studies Network Day provides an excellent opportunity for PhD candidates and research master students to acquaint themselves with the newest developments in their field of study and to exchange information and experiences with colleagues and specialists. Lectures will be held by keynote speakers, as well as a panel discussion. NISIS junior members will be given the opportunity to present their research on posters. During the day, plenty of opportunity for networking will be offered.

Course objectives

- Enlarging and deepening the already existing knowledge of Islam and Muslim societies
- Providing insight and participation in the current academic debate
- Introducing the candidates to an international network of scholars in the field
- Creating an academic community in which research in the field of Islam and Muslim societies can be optimally pursued
