Course description: Tailor-made training

Title	Tailor-made training
Academic year	2018-2019
EC	Max. 4 EC
Level	600
Language	English
Conveners	N/a
Hosted by	N/a

Admission requirements

Tailor-made training is only for research master students who are required, according to their official study programme, to obtain 10 EC in one semester. Only for those students NISIS offers the opportunity, to write an extra paper (up to 4 EC) on a subject related to the study of Islam and Muslim Societies. This opportunity is only available in addition to the other NISIS courses (6 EC) on offer in that semester. Please contact nisis@uu.nl.

Description

Participants are required to write a paper under the supervision of a NISIS board member. The specific assignment of this paper is to be determined upon request.

Course objectives

- Enlarging and deepening the already existing knowledge of Islam and Muslim societies
- Providing insight and participation in the current academic debate
- Training writing and reflection skills.

Timetable

N/a

Mode of instruction

- Research

Coarse load

Total course load is dependent on number of EC required; number of EC cannot exceed 4.

Assessment method

Research master students will be judged on the basis of their paper.

Paper requirements

To be determined upon request.

Reading list

To be determined upon request.

Registration
